

Contract Licensed Clinical Addiction Specialist (LCAS)

Job Title: Contract LCAS (PT)

Reports To: Behavioral Health Program Director

Position Status: This is a contract position; pre scheduled appointment hours to support 24/7 Center for Women residential work release facility.

Position Description: This part-time contract position will provide a range of clinical services to include assessment of individual and/or departmental needs, short term treatment, referral, crisis intervention and life skills training that help CCT residents/clients make positive behavior changes.

Duties and Responsibilities:

- Responsible for implementation, administration and clinical supervision of Recovery Road SUD Treatment Program.
- Utilize Change Companies CBI core curriculum Residential Drug Abuse Program (RDAP).
- Conducts individual assessments to Center for Women residents using standardized assessment/screening tools, measures, etc.
- Provide substance counseling services using CBT, Motivational Interviewing, Solution-Focused Therapy or other appropriate modality to Center for Women residents.
- Determines evaluation methodology and establishes appropriate clinical techniques.
- Leads clients/residents to development of strategies that reduce criminal thinking errors, build self-determination, and improve motivation to change.
- Support clients/residents to build coping skills.
- Support residents through transition and after-care with establishing long term recovery networks
- Consults with CCT staff regarding problems presented by clients/residents related to psychosocial factors.
- Works in collaboration with CCT staff and external community partners as appropriate.
- Assists in development of prevention, intervention, referral and outreach services.
- Submits reports to CCT and agency partners as mandated by law.
- Reviews and evaluates client progress and establishes follow-up contact.
- Reports and analyzes results.
- Maintains confidential client records.
- Demonstrates cultural competency and commitment to CCT residents and clients
- Demonstrates commitment to CCT's vision and mission
- CCT reserves the right to add or change duties at any time.

Knowledge/Experience

- MSW or equivalent experience in the human service sector
- LCAS/LCASA – NC license (required)
- LCSW/LCSWA - NC license (preferred)
- Valid NC Driver's License
- Two or more years of relevant experience (ie. chemical dependency counseling, reentry, incarcerated women, transitional services)
- Bilingual English/Spanish is a plus

Desired Skills:

- Excellent verbal and written communication
- Bilingual capacity with ability to provide services in English and Spanish
- Ability to work effectively with people in a culturally competent and sensitive manner
- Ability to recognize your own limitations and respond to difficult situations;
- Ability to apply your knowledge and research to clinical problems;
- Ability to work in a self-motivated, independent way;
- Ability to collaborate with colleagues from other disciplines
- Ability to use electronic health record
